

Rep. Craig Williams and the
Delaware County District Attorney
Invite You to Attend a

Paper Shredding *and* Drug Take-Back Event

Saturday, September 24, 9:00 a.m. to noon
Garnet Valley Middle School Parking Lot
601 Smithbridge Road in Glen Mills
Drive-Thru Contactless Event (3 Box Limit)

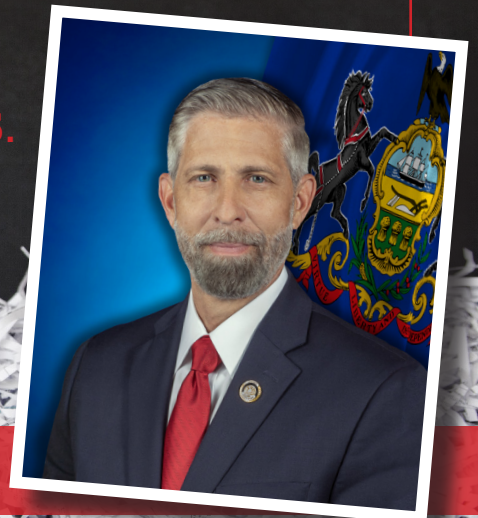

The event, which will feature an onsite industrial paper shredder, will provide the opportunity for households of the 160th District to shred up to three packing boxes of materials. The boxes will be returned to residents.

Only paper – not cardboard – will be accepted. Staples and paper clips need not be removed. All shredding takes place onsite.

As we continue the fight against the Commonwealth's opioid epidemic, I encourage everyone to drop off medicines, prescription and over-the-counter drugs. By law, needles and epi-pens will not be accepted.

For more information, please contact
Rep. Williams' district office at (610) 358-5925.
